SUMMARY

MCA student with strong foundations in Artificial Intelligence, Machine Learning, and software development. Experienced in building web applications using React, TypeScript, Express, and integrating AI models through modern APIs. Developed Open Source Mentor AI, a Gemini-powered platform that helps developers understand open-source repositories, identify contribution opportunities, and generate personalized onboarding plans. Familiar with AI/ML concepts including Neural Networks, SVM, KNN, Random Forest, and TensorFlow through academic coursework and projects.

EDUCATION

MCA (Master of Computer Applications) Panjab University, Chandigarh 78% Till First Semester	08/2025 – Present Chandigarh, India
BCA (Bachelor of Computer Applications) Panjab University Passed with First Division - 74.2%	08/2022 – 06/2025 Chandigarh, India
12th CBSE Passed with First Division - 70.2%	07/2021 – 07/2022 Chandigarh, India

SKILLS

Programming: C, C++, Java, Python, JavaScript, TypeScript	Web: HTML, CSS, React, Express.js, Node.js
Database: SQL, DBMS	AI/ML: AI Fundamentals, Machine Learning Concepts, TensorFlow, scikit-learn
Tools: Git, GitHub, VS Code, IntelliJ IDEA, Figma, Canva	

PROJECTS

Open Source Mentor AI

Technologies: React, TypeScript, Express.js, Gemini API, GitHub REST API, HTML, CSS

- Built an AI-powered repository analysis system using Gemini API.
- Implemented Contributor Profile personalization based on experience level, skills, goals, and available time.
- Developed No-Issue Mode that generates meaningful contribution suggestions when repositories have no open issues.
- Created 30-Minute Sprint Mode for developers seeking quick and focused contribution opportunities.
- Integrated GitHub REST API to fetch repository metadata, README files, project structure, and issue information.
- Added AI-generated implementation plans, learning guidance, and pull request drafting assistance.

LEADERSHIP & RESPONSIBILITIES

Editorial Club Design Head

Present

DCSA, Panjab University, Chandigarh.

- Led design of the department's bi-monthly newsletter.
- Created original newsletter themes and layouts using Figma.
- Integrated reports and articles into visually engaging publication formats.

IT Club Coordinator

Present

DCSA, Panjab University, Chandigarh.

- Organized departmental IT Fest and technical events.
- Coordinated project showcase activities for students.
- Conducted internal competitions to shortlist participants for inter-college IT fests.
